

Creative Writing and Content Marketing: Writing Interesting Articles That Sell (Paperback)

By Judge J

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. All businesses are looking for the edge when it comes to advertising their business, and writing content is an excellent way to achieve just that. it's known as 'Article' writing. 'Creative Writing & Content Marketing' is, unfortunately, a skill many people just don't have. It's difficult for most people to come up with fresh new ideas to turn their content into powerful, customer pulling, and impulsive buying visitors. For example, articles can be written for Websites, Blogs, Newsletters, Freelance Writing, and Magazines. Articles can cover a variety of different subjects like, how to write articles, health articles, business articles, science articles, news articles, articles of incorporation, psychology articles, sports articles, current events articles, biology articles, scientific articles, magazine articles, articles for kids, fitness articles, and nutrition articles etc. In fact, if you can think of a subject, an article can be written on it. Articles have been the life blood of business all over the world, and over the years, there must have been billions of pages of text written by businesses, websites, and blogs alike. Unfortunately, most are nothing more than rewritten articles that...
