Strategic Book Publishing & Rights Agency, LLC, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Iggy Says, "No Thank You" is the first book in a children's series about a little boy who likes to do things his own way, but he always learns a valuable lesson. Iggy is a 21st-century kid who loves technology and lives near the beach. He'd rather play video games, watch TV, fiddle on the computer, or watch a good video than do most anything else. He doesn't mind missing out on the fun in the world around him, until an illness forces him to miss out. In the end, Iggy has a change of heart and grows in the process. He vows to play with his friends more and never miss a play date again. Says the author, "The story came easy. Naming Iggy was the hard part. I wanted a name that boys and girls could relate to, or that a boy or girl could have. I didn't want gender to be an obstacle. I just wanted Iggy to be a kid and to teach lessons and encourage other children. I think Iggy has a lot to offer all children." A California girl, first-time author Sunny Limuti Bray grew up in Hermosa Beach. She is now in sales and is also a women's pastor at a small church in Redondo Beach. She was a teacher for ten years and tutors kids. She loves riding a tandem bike at the beach with her husband and their four dogs. Publisher's website: <http://SunnyLimutiBray>.
